

An Association of Parents
of Exceptional Children

EDUCATIONAL CENTRE – K. K NAGAR

"Nothing is ever achieved without enthusiasm."

This was the spirit with which the unit of Maithree at K.K.Nagar was started .Selvi Anbarasi a child with special needs had undergone training in various places. Later her parents Dr.Senthamizh Selvi and Shri Shiva Shankar were very impressed when they heard about Maithree and its training modules and they came forward and offered space in their residence at K.K.Nagar to start a school for their daughter Anbarasi.Thus was born a Vocational Training Centre for girls in January 2001.

In the meanwhile, Maithree Special School, T.Nagar was catering to children over very large geographic area. When commuting became formidable and the need for a special school in the areas surrounding K.K.Nagar also grew, the Vocational Training Centre was transformed into a Special School in 2004.

The School was started at Sector 12, Munnusami Salai with just 4 students and 2 parent volunteers.
